4. **Old Business**

The Ladies' Two Ball tournament and the BC Zones were both cancelled.

The BC Zones will probably take place next year. There are not usually more than 50 participants, so the numbers would be appropriate. The putting routine and the entertainment may have to be altered if Covid restrictions are still in place.

5. **Club Update from Pat Biln**

Craig Stocker, the course superintendent, will retire at the end of February.

Those present thanked Craig for his many years of service.

Linda asked whether there would be work done to upgrade #14 red tee box and whether the bubble on #13 red tee box would be fixed.

The target nets are well used.

Pat thanked the members present for a great season despite the Covid restrictions.

Pat thanked Linda for arranging Ladies Day.

Pat thanked Susan Evans for maintaining the washrooms in the clubhouse. Without her help the washrooms may not have opened for the season. The bottom line for the Castlegar Golf Club is the best ever. There were many visitors this year, particularly from the Okanagan. The executive plans to spend approximately 15,000.00 to 200,000.00 before next season. The cart fleet will increase by 4 carts, with a purchase of 10 new carts. A new mower will cost approximately \$85,000.00 Decking on the clubhouse needs to be replaced. There will be a 2% increase in membership rates next year. There may be some changes to Ladies' Night in order to make the distribution of prizes more equitable. Perhaps both competitive and non-competitive categories will be arranged. Every member is supposed to join Golf Canada. Next year the stroke holes will change. Membership was 383 in 2019. This year the membership was close to 420. Brian Boyes was awarded the Jack McLaughlin Junior Golf Leader by the PGA of BC.
