### 4. **Adoption of Treasurer's Report**

The treasurer's report will be available online at [www.bcgazone1.org/castlegar/meetings/](http://www.bcgazone1.org/castlegar/meetings/).

Currently, the balance is down approximately \$200.00, but this amount includes \$100.00 in prizes for 2025.

There were 27 members paying \$35.00 each, two at \$30.00 each, and fewer drop ins for 2024.

The 50/50 helps to increase the income.

It was noted after the meeting that the membership fee was lower in 2022, because we reduced it during COVID. Old records show we have been paying \$35.00 since at least 2012.

**Motion to adopt the Treasurers report:** (Donna Welda, Mary Picard) Carried

**Motion:** Propose to leave the fee for membership at \$35.00 for 2025. (Maureen Salekin Molnar, Terry Latremouille) Carried

### 5. **Old Business/tournaments**

Work on tidying and organizing the Ladies' Club area in the washroom continues.

### 6. **New Business**

Elections for two year executive positions will take place at the spring 2025 meeting.

Plans for 2025:

Exchanges with Birchbank and/or Christina Lake were discussed as the exchange fee no longer applies.

Donna, Dianne and Pam will look after the Two Ladies Best Ball Tournament which will be held the first Sunday before Father's Day, June 8, 2025.

The Club Championship is planned for July 12, 13, 2025. There was discussion regarding the \$25.00 per day charge for members to participate.

The Zones will possibly be held at Christina Lake in 2025.

The garden bed between holes 1 and 2 was originally built by and maintained by the Ladies' Club. It needs maintenance, and options were discussed.

**7. Club update from Wendy**

The golf club is doing well financially.

More carts have been ordered.

There were 510 members in 2024, including 87 juniors and 11 junior/juniors.

The golf course is in good shape. The bunkers have been redressed.

Work on tee boxes will continue (#13 for example)

Lower branches are being cleared for safety.

The five year capital plan includes new equipment for maintenance greens. Assessing is taking place regarding the irrigation system. New irrigation systems are more specific but the cost is high.

Ladies' Thursday evening golf regularly had more than 50 attendees and 80 attended the final scramble and dinner.

Paving around the cart shed will not occur, instead a salt solution will be used to minimize the dust.

The overflow lot will be planted with grass.

More trees will be moved during the winter.

Paving of cart paths will be ongoing.

**8. Announcement of winners and prizes**

Please see the list of winners online at [www.bcgazone1.org/castlegar/meetings/](http://www.bcgazone1.org/castlegar/meetings/)
