

Chair Report 2021

It's been another unusual year and one that many of us hope not to repeat. The uncertainty of the world has created divisions that most of us have never had to deal with. It's hard to plan when you have no idea what's around the corner. Zone 1 will go through major changes in the next year as both April and Loretta will be stepping down from Rules as well as Lynne and myself from the executive. Lill has said this will be her last year as the East Raters position.

There was no Zone tournament, no East or West challenges and only Christina Lake hosted a tournament with players outside their membership. We did not invoice for levies in 2020 or 2021. I think we are very fortunate to be able to get out and golf even though it is only at our member clubs.

I will continue to communicate the Zone business as Past Chair and will be happy to assist any volunteers that come forward for Chair and Vice Chair. Neither position takes too much of your time as commitments are spaced out. The most time is spent helping plan our Zone tournament. BC Golf women's championship events do not need to be qualified for but we use our tournament to see which of the participants will be subsidized by the Zone.

Respectfully submitted

Paula Howe

Chair Zone 1
