

## 2020 Course Rating Chair Report

In 2019, Champion Lakes was rated. In 2020, we are looking to rate Granite Pointe in Nelson.

Kojo Frempong, our BC Golf Course Rating Co-ordinator again held a training session in Creston in July 2019 which was attended by Paula Howe, Shelley Bumanis and myself as representatives of the West Kootenay Rating Team. In addition, I had attended the Pacific Northwest Golf Association Course Rating Calibration Seminar at Kalispel Golf & Country Club in Spokane, Washington in April 2019.

Due to the changes to the Rules of Golf which came into effect January 1, 2019 the course rating and documentation process has changed. We are expecting the revised documents shortly. Due to the Covid19 restrictions, Kojo Frempong held a Zoom session in April 2020 as a refresher on course rating which was attended by Paula Howe, Shelley Bumanis, Shelley Fizer and myself. Education is an ongoing part of the course rating process so thank you to Kojo Frempong for all his assistance.

If anyone is interested in learning more about becoming a course rater, we would welcome your interest and participation. Please contact Joanne Drystek at [jdrystek@aim.com](mailto:jdrystek@aim.com).

Respectively submitted,

Joanne Drystek
