

2021 Course Rating Chair Report

Despite Covid19, or maybe because of it, 2020 was a very busy year for the course raters. We completed course rating on 6 golf courses, Christina Lake, Salmo, Slokan Lake (New Denver), Kaslo, Nakusp and Kettle Valley. In addition, we rated these course for both men and women which essentially doubled the workload.

This would not have been possible without an amazing team. Thanks to Paula Howe, Shelley Bumanis and Shelley Fizer. In addition, Tom Hall assisted us on several of the course ratings for men.

The team members also continued with online education via zoom. Thanks to them for taking the time to participate in this session. Kojo Frempong, our BC Golf Course Rating Co-ordinator was also instrumental in providing guidance and direction as we worked on learning the new guidelines and getting accustomed to the new documentation requirements. Education is currently scheduled for April 29th with the Ontario provincial team.

2021 course ratings to be scheduled once the travel restrictions are removed after May 24th, we hope, are Riondel, Kokanee Springs and Granite Pointe. We will continue to do both the mens and womens ratings for these courses.

If anyone is interested in learning more about becoming a course rater, we would welcome your interest and participation. Please contact Joanne Drystek at jdrystek@aim.com.

Respectively submitted,

Joanne Drystek
