

Zone 1 Ladies Golf AGM

Junior Golf Report

April 30, 2022

Submitted by Fiona Martin

- Junior Golf for the Zone took an official break due to COVID for the past 2 years. While there were athletes who participated in events around the Province when permitted, I did not run a Junior “Circuit” for the West Kootenays as this was not permitted by Golf BC.
- I have been in regular contact with the East Kootenay Junior Representative, Jackie Myson. She has been in the same situation as I, and is trying to get things off the ground again.
- This year, with restrictions limited, I have a “WK Junior Circuit” planned again. It would be great if local clubs could encourage and promote participation. The events are designed to be for all age groups, with different tees depending on abilities. Cost is \$30 per event (covers golf, prizes and a meal after golf!). Here is the schedule at this time (registration will begin at 11:30, tee times around 1pm:

May 7: Creston Golf Club.

May 23: Cascade Par 3 at Christina Lake

June 4: Christina Lake Golf Club

June 5: Granite Pointe Golf Club, Nelson

July 9: Castlegar Golf Club

July 16: Redstone Resort (Rossland)

- BC Summer Games is going to run this year! What a great opportunity for our young athletes! Our Zone can take 3 girls and 3 boys to the Games in Prince George July 21-24. Athletes must be 16 or younger as of July 23rd. Thank you to the Zone committees (men & women) for supporting the athletes by paying their \$200 registration fee!
- We will be holding a Zone 1 qualifier for East and West Kootenay for those 6 spots
 - May 7 at Creston
 - 11:30 registration, 12:30 tee times

- Registration form can be completed by Google Form at <https://forms.gle/SypUF4n88GaZWfHG8>
- Please promote this at your clubs. It would be great to fill the 3 spots for the girls!!
- We have not had any girls participation at the BC Provincial tournaments for 2 years. I am hoping that there are some girls out there interested. If you know of anyone, please give them my contact information if they need more information.
