

I have learned more about technology than I ever wished but certainly not enough to be as effective in the role as I should have been. The last two years with very little face to face has been difficult for all of us. Sharing information from our Zone and BC Golf has at least kept all informed. As I have said with my last Chair reports I am stepping away. You as Club Captains will decide where Zone 1 goes.

It has been a delight working with all the Championship Chairs, definitely my favorite part of the volunteer job. Meeting Club Captains at the AGMs always looked forward to.

Respectfully  
Paula Howe  
Past Chair  
Zone 1
